WHAT OUR GRADUATES ARE SAYING:

“I would recommend CCEI for anyone looking to achieve their CDA certification.”

- **Janice Morton**, West Stafford School

“CCEI by far has been positive, motivational and highly educational. I would recommend this program of study to anyone who needs training in the CDA field. Thank you, CCEI.”

- **Doris Brenner**, Nature’s Nursery School at Green Chimneys

“CCEI was easy to use and allowed me to work on my CDA at my own pace. I could work as fast or as slow as I needed to based on my work schedule.”

- **Victoria Hutchison**

“I am so thankful that I was able to enroll and complete my CDA renewal online with your institute. I found the program to be easy to use and well informative. My coach was great in making sure I knew how well I was doing and that they noticed my progress. I also appreciated the quick responses to my emails regarding my questions or concerns. I felt that the courses were well organized and had great assessment questions and handouts. I also like being able to print out certificates of completion. I had a sense of pride that I sat down, read, answered questions and got a paper saying ‘YOU DID IT!’ I also liked that it told me how many days I had left to work on courses and how many I completed each day. I had a great experience.”

- **Eleanor Alusik**, Children’s Corner
