Qualifications of CCP Field Counselors

CCP Field Counselors are approved by the Professional Standards Council of The NECPA Commission, Inc.
Eligibility as a CCP Field Counselor requires:

Education Qualifications

The individual, whether a director, teacher, CDA, or CCP, must hold an Associate Degree in early childhood education, or a B.A., B.S., or Master's or Doctoral Degree in education / early childhood education, vocational / home economics education, or home economics / child development. For any particular area listed above, the individual must document 18 credit hours / 270 clock hours in early childhood education / child development focusing on children birth through 6 years of age.

Experience Qualifications

The individual must have two (2) years of experience in a licensed early childhood / child care setting serving children birth through 6 years of age including one year of direct service to children as a teacher, care provider, child life worker, social service provider, or similar role; and one year experience related to assisting in or having primary responsibility for the professional development of another adult.

Professionalism Qualifications

The individual must provide documentation through:

- Three (3) independent ratings utilizing the "CCP Field Counselor Reference Form"
- Resume / Vita
- Optional. Other supporting documents indicating his/her capability to:
 1. Relate to the broad diversity of individuals representing a variety of cultural, regional, and socioeconomic backgrounds working in early childhood settings;
 2. Organize and facilitate small group learning activities, discussions, seminars, and problem-solving sessions with adults; and
 3. Understand and articulate local and national regulations, standards, and guidelines related to early childhood programs serving children between birth and 6 years of age.

The NECPA Commission, Inc. reserves the right to waive specific educational and experiential requirements upon submission of alternative documentation and explanations of experience, education and/or training. The Professional Standards Council periodically evaluates CCP Field Counselors.

Responsibilities of CCP Field Counselors

Responsibilities

Field Counselors provide technical assistance and procedural guidance to individuals wishing to proceed through the CCP-MIE process as well as promotion of the CCP. The Field Counselor will be provided technical assistance from The NECPA Commission, Inc. and Assessment Technology (ATI) through teleconferencing and on-site meetings when possible and if needed.

Technical Assistant and Procedural Guidance

- Periodic meetings and/or telephone contacts with CCP Candidates to assist them in preceding though the credentialing process.
- Proctoring of the National Credentialing Examination.
- Collection and verification of CCP-MIE process documentation.

CCP Promotion

- Collaboration with local and state child care professional organizations to provide informational material to child care center directors and staff about the CCP Credentialing Program.
- Availability to respond to questions regarding the CCP Credentialing Process from center directors and staff.
